

Bug Report

ID number	AppSwagLabs-1
Name	CART- Able to create a checkout with empty cart
Reporter	Julya Meleshko
Submit Date	24/05/2024
Summary	When cart contains 0 items, it`s able to create a checkout and order.
Platform	Windows
Operating System	Windows 10 Home 22H2
Browser	Chrome 125.0.6422.77
Severity	Major
Assigned to	/
Priority	High

Description

When cart contains 0 items, it`s able to create a checkout and order.

Steps to reproduce

- > open inventory page
- > click on the “Cart” button
- > click on the “Checkout” button

Expected result

Should stay on the “Cart” page, see the error message “Cart is empty”.

Actual result

Redirection to the Checkout form page
